**“Hi, my name is Sarah
and I am 20 years old.**

Today, I wanted to thank you.

I used to go to the Breakfast Club in kindergarten. My mom could afford to provide for me and give me breakfast in the morning, but due to her cancer, she had to go to work very early. Every day, I arrived at the school's daycare program as soon as the doors opened. One day, a staff member suggested that I attend the Breakfast Club, given that my 5 AM breakfast wasn't enough to sustain me until school started at 9 AM.

**You have forever
touched my life.**

The care you gave to the little girl I was changed my life for the better. You comforted me every day, asked about my mother, and made every single day a new experience. I still remember the wood box from which we could pick a gift on our birthday.

I was so sad when I left the Club! I loved you! Still today, at 20 years old, I want to thank you for taking care of me.

**Every year, I make a donation to
the Club as a way to thank you** and to give the opportunity to other kids who need the Club as much as I did.

From the bottom of my heart, thank you!
Keep up the good work and never give up!”
