PAYROLL DEDUCTION PROGRAM: BRING EMPLOYEES TOGETHER AROUND A COMMON CAUSE!

WHY CHOOSE THE CLUB?

- You can trust your donation will support breakfast programs for children—nothing else: our core administration expenses are less than 3%.
- \$1 = 1 breakfast. No matter the amount, your donation goes a long way.
- Your support will help children all over Canada, including in First Nation, Métis and Inuit communities.
- The need is high: currently, 1 in 5 Canadian children is at risk of going to school hungry; that is close to one million student you can help reach.

HOW DOES IT WORK?

- Each employee enrolled in the program sets the amount they want to have automatically donated from their pay.
- Employees interested in participating in the program simply have to fill out the attached form and hand it to their payroll department.
- The total annual amount of each employee's donation will be indicated on their T4 and RL-1 tax slips. This way, they can declare the amount on their annual income tax return.
