REFRIGERATOR TEMPERATURE REGISTER

- This register must be displayed on each unit owned and/or being used to store food for the breakfast club.
- The temperature of refrigerators must be taken by the head volunteer **at the arrival at the club in the morning**.
- Each head volunteer must keep the completed registers throughout the school year. Keep in archives the previous year registers. Earlier documents may be destroyed.
- Reminder: REFRIGERATOR TEMPERATURE MUST BE BETWEEN 0 AND 4 °C. IT SHOULD NEVER BE ABOVE 4 °C.

Equipment :			Month :	
If the temperature is above 4°C, promptly notify the regional coordinator at Breakfast Club of Canada
