Website Disclosure:

The Breakfast Club of Canada occasionally purchases items for its Breakfast Club programs from companies in which a member of the Breakfast Club Board of Directors is either an owner, partner or senior manager. These purchases for the fiscal year ending June 30, 2020, made at market value, are:

Colabor Inc. (packaged goods)*	\$5,655,427
Danone Inc. (Yogurt)	\$ 95,607

Note: exceptionally this year, due to COVID, we collaborated in the purchase of packaged goods, which was of a particularly high volume, with various food banks, specifically Les Moissons, in order to meet the crying needs of the children affected by this pandemic.*
