The Club’s Special Grant

Dear [District Name],

Thank you for your partnership in our Breakfast Programs. Your continued support is crucial in ensuring that every child has access to a healthy meal to start their day. As we navigate through the current challenges, we are committed to adapting our programs to continue bringing a healthy breakfast to kids in your community.

As a reminder, signed partnership agreements are due by June 30. If your agreement has not been returned after that date, we will no longer be able to guarantee your funding for the upcoming school year. If you have not received your agreement, please contact us directly to ensure smooth implementation.

We understand that this time has been challenging for all, but together, we can overcome these obstacles. Your district has already received [amount] in funding, which can be allocated to your school’s breakfast program with the support of Breakfast Club of Canada before school.

For further details on our adapted programs, please see our Toolkit – Breakfast Program. We encourage you to explore the resources available to you and adapt your program as necessary.

Reminder: Signed Partnership Agreements to Be Returned by June 30

Best regards,

Healthy Breakfast to Kids

Recipe for a Smooth(ie) Summer!

Here are some initiatives that are making a big difference in their communities.

Smoothies: Nutrition in Every Bite

- Sacré-Cœur de Gracefield School
- Jérôme Foundation for Success
- Surrey School District

Smoothies are a magical food as they are both delicious and nutritious. They are also made in less than 5 minutes, leaving more time for teachers to focus on creativity and instruction. They are easy to prepare and can be shared among many students. The perfect smoothie can come in all shapes and sizes, and can be personalized to your child’s taste.

Until then, we hope you all have a safe and healthy summer.

Enjoy Your Smoothie! See You Soon!
