

DAILY CHECKLIST

1

Remove jewelry

2

**Put on your apron
and hair and/or
beard net**

3

Fridge & Freezer

Check fridge & freezer temperature. Record them on the temperature log.

*Fridge: between 0 et 4°C

**Freezer: -18°C

4

Wash your hands

Do so each time you touch a new surface or product.

*Use disposable gloves ONLY if you have a cut, band aid, nail polish or jewelry that cannot be removed.

5

Sanitizing

Sanitize work surfaces with diluted sanitizer (2ml sanitizer/1L water) before you start and after you're done. Let air dry.

*Solution lasts only 24 hrs.

Make a fresh one every day.

6

Perishables

Make sure that refrigerated items are only taken out at the last moment to ensure freshness.
