

NO-PREP OR LOW-PREP:

- Spread onto bread, toast or Melba toast. Top with jam or jelly for a burst of flavour.
- Have children spread a little Soy nut butter on each bite of an apple using the back of a spoon. Delish!

GET INSPIRED:

- Mix Soy nut butter with yogurt to make a creamy dip for fruit. Serve with sliced apple, orange or banana, or individual grapes. Get inspired with [this recipe](#)*! (You can replace Greek yogurt with flavoured yogurt, and omit honey and cinnamon).
- Up your smoothie game by adding a little Soy nut butter for a richer flavour and an extra energy boost.
- Spread Soy nut butter on a tortilla, add sliced or grated apple, and roll. You rock!
